

LUXEFORM Compact

HIGH-TECH COMPACT LAMINATE

LUXEFORM Compact 2026

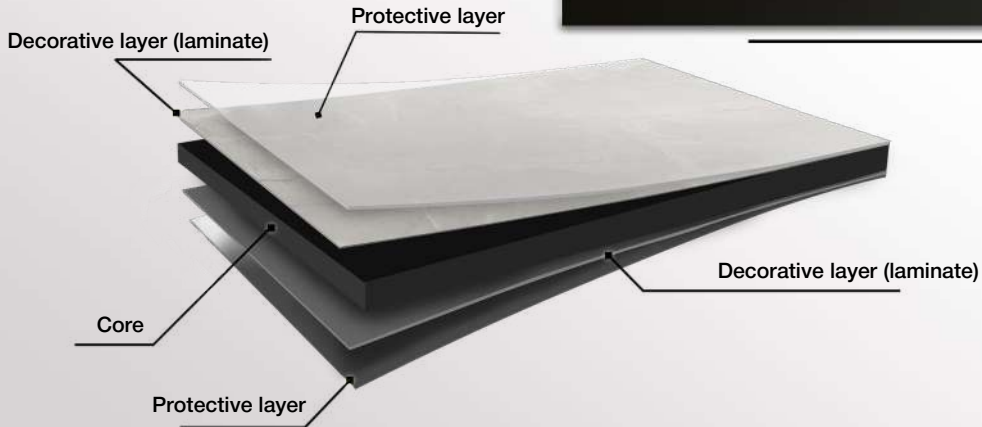

LUXEFORM Compact

LuxeForm Compact is a collection of compact laminate countertops and fronts. With this collection, we offer an advanced high-performance technological solution for kitchen design and remodelling.

Thanks to their solid structure, the worktops are uniquely resistant to moisture, pollution, and odours, and capable of withstanding chemicals and detergents, which ensures their easy maintenance and durability. LuxeForm Compact countertops are hygienic and safe for food contact.

COMPACT SHEET GUIDELINES

Do not place hot pots and pans on the worktop, as they may stain the surface. Use special hot pads.

Use a cutting board to protect the surface from scratches.

Remove stains immediately, using gentle non-abrasive cleaning agents.

Use alcohol solvents for cleaning.

SERVICE

Reliable packaging
